About the Department

The Department of Forensic Medicine & toxicology is a full fledged PG department with present strength of PG and five faculty member. The department does the complete medicolegal work of the institute including casualty. All reports by the department are submitted online through MedLeap Software. The Department was instrumental in starting One Stop Crisis Centre (OSCC) for examining survivors of Sexual Assault, as well as starting video conferencing for evidence in various courts of the States of Punjab, Haryana and UT Chandigarh

Dear Friends,

It gives me immense pleasure and privilege to announce that Department of Forensic Medicine & Toxicology, Government Medical College & Hospital, Chandigarh is hosting the 14th Annual Conference of Punjab Academy of Forensic Medicine & Toxicology and CME on “Handling of Issues related to Medical Practice in the Era of Increasing Litigation” on 27th Aug 2016.

Litigation against doctor is increasing day by day. We hear not only cases of litigation, but also violence ranging from manhandling to murder. This speaks of deterioration in Doctor-Patient relationship. Medicolegal cases are completely different from these issues. We will be having experts in the field deliberating on these two important topics. We will also have a free paper session to encourage young fraternity.

This year we are celebrating the Silver Jubilee year of establishment of our Institute, Government Medical College & Hospital, which was established in 1991. This conference is one of the academic activities to commemorate the silver jubilee celebration of our institute.

I extend my warm invitation to all the delegates to make this event a Grand Success

Dr Dasari Harish

(Organizing Chairperson)

Professor & Head,

Dept. of Forensic Medicine & Toxicology

Govt. Medical College & Hospital Chandigarh

Instructions for Submission of Abstracts

The Abstracts should be of maximum 250 words, typed in double space and should be submitted in MS Word format. Font should be Times New Roman 12. Keywords for the abstract should be relevant to the paper being read.

The abstracts should only be sent by email to PAFMATCON2016 @gmail.com. Type of presentation can be both Oral or Poster; however, oral presentation will be preferred. The Abstracts should contain the author's name and affiliation and the presenting author's name should be underlined. Structured abstract would be preferred.

The last date for submitting the abstract is 31st July 2016. Acceptance for the abstract will be emailed after the same has been reviewed by the scientific committee.
